The Greenwood Sale

of top quality imported and home-bred Shorthorns

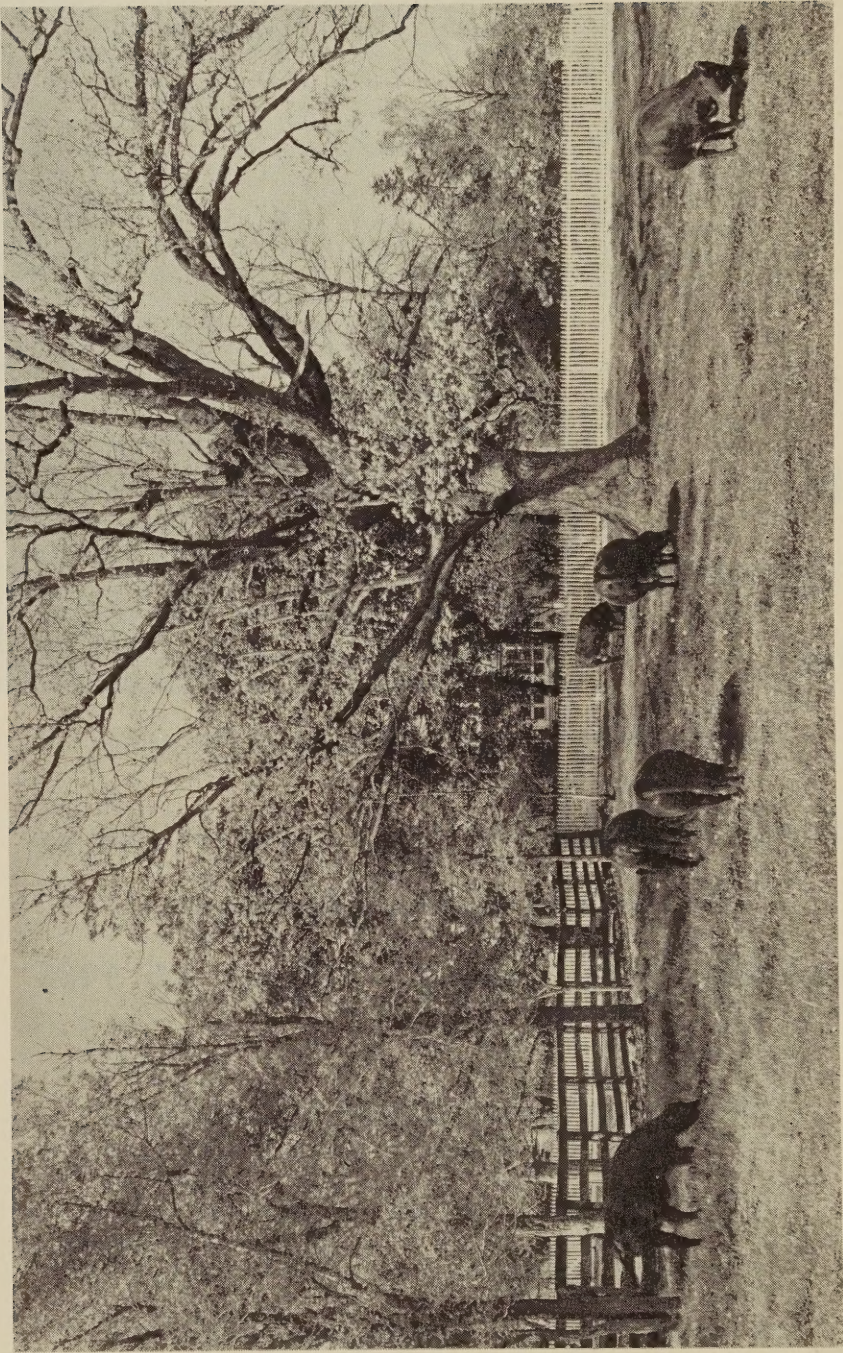

**TO BE HELD IN THE NEW HEATED SALE PAVILION AT
The Madison County Fair Grounds
London, Ohio, Monday, October 17, 1955**

GREENWOOD FARMS, SOUTH SOLON, OHIO

David S. Graham, Owner

HAL LONGLEY, Sale Mgr., 16 S. Locust St., AURORA, ILLINOIS

Please bring this catalog with you to the sale.

Six of the 1955 sale heifers grazing peacefully at Greenwood. All are either imported or out of imported dams.

General Information

Time—12:00 o'clock noon, Eastern Standard Time on Monday, October 17, 1955.

Location—This sale will be held in the new heated sale pavilion at the Madison County fair Grounds, London, Ohio. London is 25 miles southwest of Columbus; 25 miles southeast of Springfield; and 45 miles east of Dayton. It is on Federal Highway 42 which is the main highway from Cincinnati to Cleveland. It is also on State Highway 38. Federal Highway 40 is only four miles north of London.

Transportation—London may be reached easily by automobile or bus on paved roads from every direction. It is on the main line of the New York Central Railroad running north and south from Cincinnati to Columbus and Cleveland. It is also on the main line of the Pennsylvania Railroad running from St. Louis to Columbus and Pittsburgh. The nearby cities of Columbus and Dayton are on main airlines and guests who travel by air will be met at these points if advance notice is provided.

Accommodations—The Shively and London Hotels are located in London, Ohio. There are also many excellent Tourist camps and motels in the immediate area. We will be glad to arrange hotel accommodations if you will let us know when you will arrive and the number in your party.

Lunch—A lunch will be served at the sale pavilion. Come early and allow yourself plenty of time for an inspection of the cattle.

Auctioneer—C. D. Swaffar.

Ring Assistants—Don Beal and Ned Place.

Bids—Those wishing to buy at this sale but who find it is inconvenient to attend may send buying orders to Hal Longley, the Sale Manager, 16 S. Locust St., Aurora, Illinois; Horace W. Walker, Eastern representative of the Shorthorn World, 904 E. Maple Road, Indianapolis 5, Ind.; Allan C. Atlason, Secretary of the American Shorthorn Breeders' Association, Chicago, Illinois; or Ed Huff, Eastern fieldman of the American Shorthorn Breeders Assn., Culpeper, Virginia.

Please note—Since this sale is to be held on Monday, we invite you to come a day early for a leisurely inspection of the herd. Greenwood Farm is only 15 miles from the sale pavilion and we will be glad to supply auto transportation for a Sunday tour if you will advise us.

PLEASE NOTE—On the front cover of this catalog appears a picture taken in the pasture at Greenwood in July of this year. The picture shows Greenwood Bombardier with a few of the brood cows. Aren't they thick and don't the heads indicate a wealth of character and good breeding? Good Shorthorns have been a part of the balanced farming program at Greenwood for over a century.

Terms and Conditions

GUARANTEE—All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition. The Greenwood Herd is under Federal Supervision for Tuberculosis and calfhood vaccination for Bang's has been practiced for many years.

TERMS—The terms of this sale are cash unless arrangements are made in advance. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

HEALTH—Every possible precaution is used to guard the health of Greenwood Shorthorns. All younger females in this sale have been calfhood vaccinated and the health certificates provided on sale day will be evidence of a clean health record. A 60-day Tuberculin retest will be allowed and those who buy in this sale may be sure that the cattle have complied with the rigid health requirements of the State of Ohio. Health certificates will be furnished with each lot sold.

Announcements from the auction box will take precedence over printed matter in the catalog.

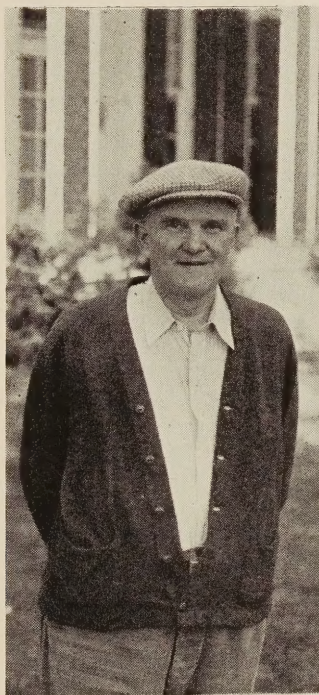

LIABILITY—The above guarantee and terms shall constitute a contract between David S. Graham and the buyer of each lot. Neither the clerk of the sale, nor the individual designated as Sale Manager assume any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owners. Those who are holding this sale will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of guests.

INQUIRIES ABOUT CATTLE LISTED—The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Ill.

You can't look at a picture like this without wanting to own calves out of such cows. These are four of the Greenwood brood cows. From left to right they are: Imp. Mount Secret 5th (granddam of Lot 21); Imp Saltoun Rothes Queen 9th (dam of Lot 12); Greenwood Rosewood 27th and Imp. Ballathie Rosemary 4th by the \$14,000 Bapton Uprise.

Welcome

to the Third Annual Auction Sale of Greenwood Shorthorns. Good judges who are familiar with the cattle sold in former sales have been generous in their praise of our 1955 offering and seem to agree that these are the best that have yet gone out from Greenwood.

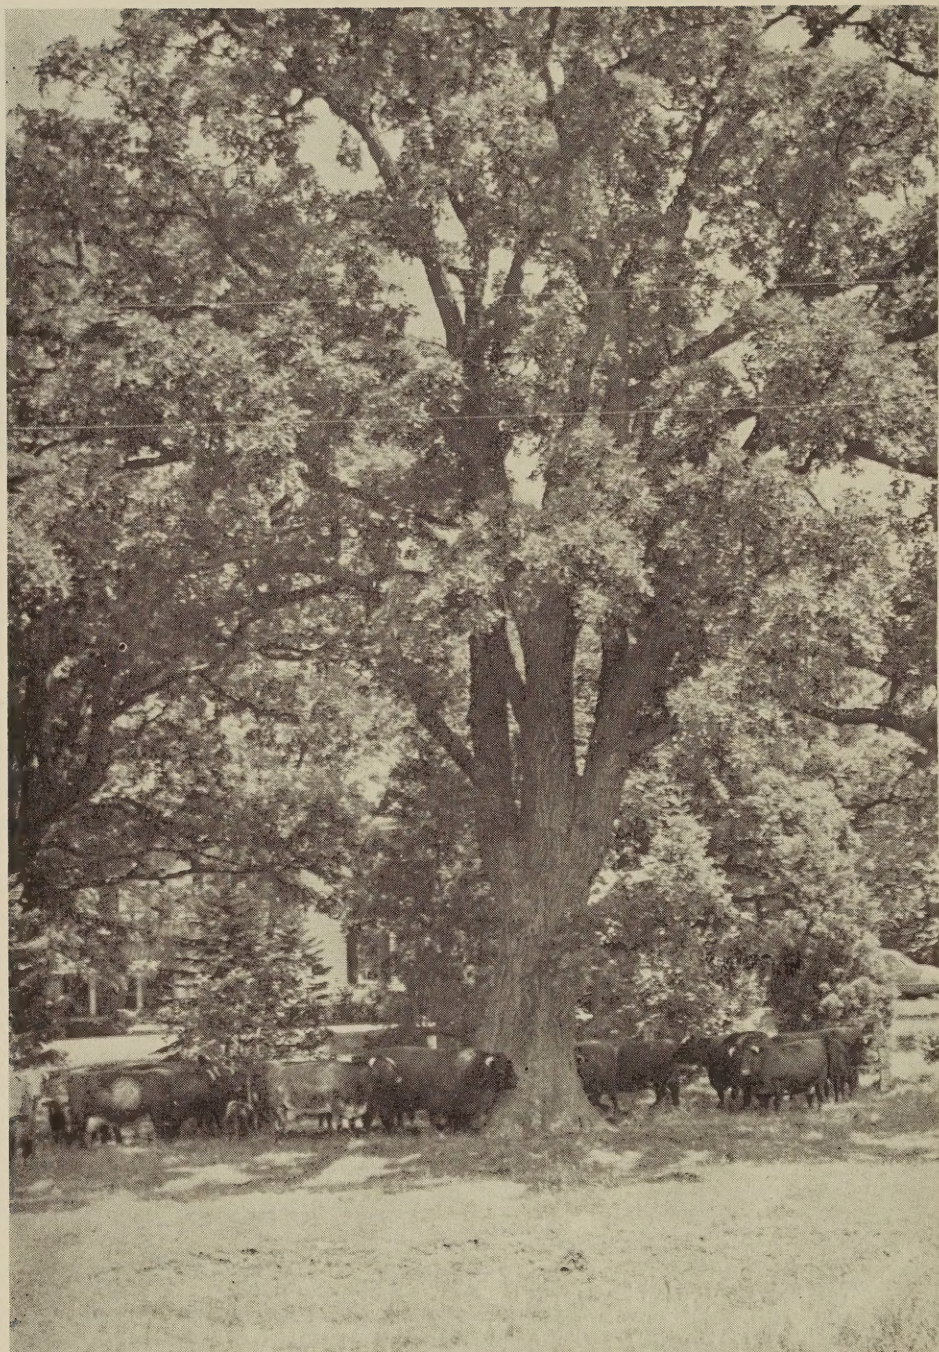

These acres that make up Greenwood have been good to us and we, in turn, have made every effort to be good to them. Red, White and Roan cattle have grazed the pastures for over a century, adding prestige, profits and fertility. It has been our responsibility to maintain and continually improve the herd to insure Greenwood Shorthorns a top position in the industry. This we have done through a consistent program of culling and replacement and through frequent infusions of fresh new blood from the greatest herds in Scotland.

Elsewhere in this catalog appears a list of those who have made purchases in the two former sales. We are proud of this list because it is made up of the names of men who are known to be critical in their selections. It is our hope that all of them will return for our third sale and that others will follow the lead of these good judges in using Greenwood Shorthorns to strengthen their herd foundations.

We invite you to be with us on October 17th and we feel that the cattle will speak for themselves.

Sincerely yours,

DAVID S. GRAHAM

Greenwood Farm is one of the beauty spots of the country. Shade and water are to be found in each pasture and royally bred Shorthorns are produced under conditions that insure their health and usefulness.

You simply can't find better heifers or stronger pedigrees. From left to right they are: Saltoun Princess Margaret 5th (Lot 15); Greenwood Rosebud 7th (Lot 20); Princess Doreen 10th (Lot 25) and Willow Lee Orange Blossom (Lot 18). One was imported and the dams or granddams of the others were imported.

Pictures speak louder than words!

Those who scan this catalog should certainly be filled with a desire to attend this sale because the pictures and pedigrees are convincing. A dozen photographs of cattle taken in the Greenwood pastures are reproduced. These are completely unretouched and show the cattle in exactly the form you may expect to find them on sale day. It is impossible to look at these illustrations without gaining a secret desire to own such cattle, and it is equally impossible to study the pedigrees in this catalog without gaining the impression that the breeding is perfect. Equipped with such convincing evidence, those who live at a distance may make the trip to this sale with confidence.

Today's Greenwood Herd is larger and stronger than ever before. The program of culling and replacement, followed rigidly year after year, and the frequent addition of top individuals representing Scotland's richest bloodlines has retained for Greenwood a top position in the industry. That cautious buyers consider Greenwood a reliable source of supply for the right kind of seed stock is best indicated by the list of former sale patrons printed elsewhere in this issue. The names on this list should prompt others to buy in this sale with a feeling of security.

Although this sale is being held at the Fair Grounds in London, Ohio, for the convenience of buyers, Greenwood Farm is only 15 miles distant and arrangements will be made to take visitors to the farm for an inspection of the herd.

In my opinion these are the best cattle that have yet been offered from Greenwood and among the best that are to be offered anywhere this year.

HAL LONGLEY

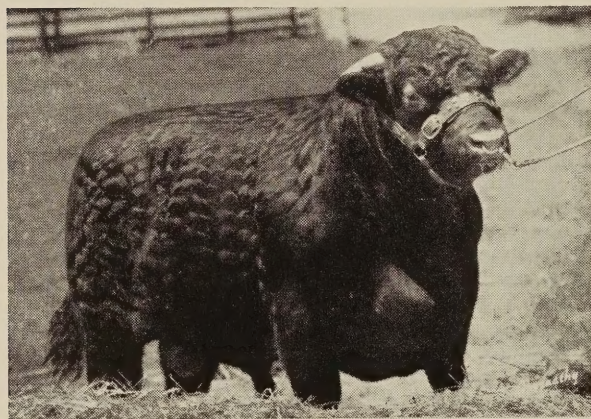

of the Shorthorn World.

***He's a great bull any way
you look at him . . .***

GREENWOOD BOMBARDIER

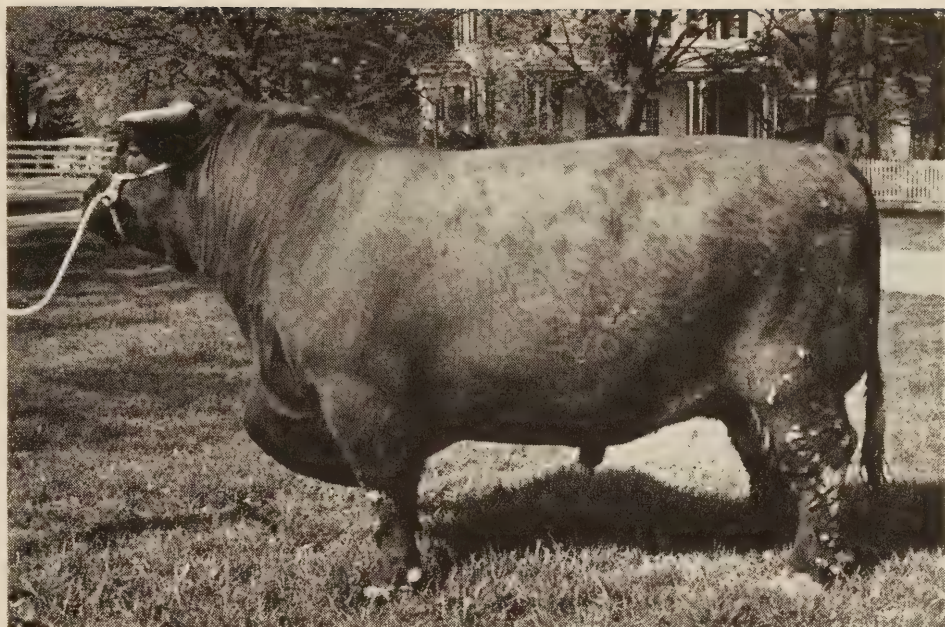

Looks great from this angle . . .

Greenwood Bombardier has been good since the day he was dropped. He is one of those unusual bulls that combines size with exceptional compactness, depth and shortness of leg. More than that, he has the bone and substance we want in a stock bull without any sacrifice of smoothness or quality. And best of all, his calves are great! Study the unretouched picture on the opposite page. When have you seen a bull with greater appeal?

Looks great in posed form too . . .

Greenwood Bombardier has been slated for service in the Greenwood Herd since the day he was born. He is a full brother to Greenwood Souvenir, top bull at the 1949 International-Congress Sale and now siring blue ribbon calves for Carl H. Stander. Greenwood Bombardier was first prize senior bull calf at the 1952 Ohio State Fair and reserve grand champion bull at the 1952 Ohio State Show at Wapakoneta. We don't think you can beat his pedigree because he represents a combination of the blood of Uppermill Autocrat and Calrossie Souvenir. His calves are selling in this sale and his service will be a feature.

and here he is in his every day
working clothes at Greenwood Farm . . .

IMP. SCOTSDALE AUTOCRAT

We lost this great son of Uppermill Autocrat early in 1953. He did a great job in the Greenwood herd. Among his more prominent get are Greenwood Souvenir, top bull of the 1949 International Congress Sale, now siring prize winning calves for Carl H. Stander, and his full brother, Greenwood Bombardier, now in service as junior herd bull at Greenwood Farms. His remaining daughters will be guarded carefully.

IMP. KIRKTON MONARCH

Though now dead, we print the picture of Imp Kirkton Monarch because of his influence in the Greenwood herd. Sired by Kirkton Baronet and out of a dam by Naemoor Marshall, to us he represents the perfect combination of Scottish blood. We had the great misfortune to lose him at an early age but he left his imprint on the Greenwood herd. One of his daughters, Greenwood Rothes Queen, won her class at many leading fairs in 1952 and was a member of the undefeated first prize pair of calves on the entire circuit, including the 1952 International. She is now a member of the strong Hi Ho herd in Maryland.

KAIR SOVEREIGN COUNT

This promising young bull shown at the left is Kair Sovereign Count. He is young and has not seen service as yet but his position as future herd bull at Greenwood Farms is certain. He is by the celebrated Calrossie Crocus Count, sire of the supreme champion and reserve supreme champion at the 1953 Perth show and sale in Scotland. His dam is a daughter of Corrimony Sovereign. We expect great things from him.

Uppermill Wanderer—This great son of Uppermill Metaphor has improved the Greenwood Herd and the breed in general. His calves have won a long list of high honors in the American show ring and have always been among the tops whenever exposed for sale. Among his many excellent calves is Greenwood Craftsman, the great bull that won first prize in a class of 22 great junior bull calves at the 1952 International and that was a member of the first prize pair of calves at the same show. Greenwood Craftsman was purchased in our 1953 sale by Howard Hildreth & Son, Estherville, Iowa, at the top price of \$2750. Many sons and daughters of Uppermill Wanderer will sell in this sale and we are very proud of them.

Greenwood Elector—Here is the senior calf from our 1955 show herd and we recommend him highly. He is the first bull calf sired by Greenwood Bombardier. Billy Anderson, famous Iowa breeder and showman, bought his full sister last year at a bargain figure and she is one of the tops in his 1955 show string. Greenwood Elector is out of a Cluny Pauline cow and most everyone is aware that this is one of our favorite families. This bull is an attractive dark roan, wonderfully smooth and packed with quality.

Greenwood Benbow—Here is another summer yearling from our 1955 show herd. He is richly bred and seems to wear his pedigree right on his back. He is a son of Beaufort Benbow, a bull that has done a wonderful job in Colonel Beardmore's herd in Ontario. He is a heifer's first calf, being out of a very good daughter of Cluny Romeo. His granddam was an imported daughter of Bapton Compensation. You will like his great head, blocky body and short legs.

Greenwood Pauline 10th—You will remember that her imported dam was offered in our sale last year and sold at the top figure of \$2050. Greenwood Pauline 10th is the heifer calf by Millhills Kickoff that was at foot at that time. We have been exhibiting this heifer with success at 1955 shows and she has been a favorite with all who have seen her. Her dam now has another equally good heifer calf at foot. We do not believe we have ever offered a better heifer than Greenwood Pauline 10th. She sells open.

Her dam is a 3/4 sister to Saltoun Rothes Queen 15th, the imported cow purchased at \$4200 by John Alexander & Sons in the 1954 Gardhouse sale. Even though she is too young to sell to best advantage, we certainly recommend her highly.

Greenwood Rosewood 31st—All who have inspected the 1955 Greenwood sale offering agree that this is the greatest heifer Greenwood has ever offered and one of the best that has been exposed for sale in many a day. She is by Uppermill Wanderer and out of the same great Imp. Cluny Rosewood cow that produced the famous bulls Greenwood Bombardier and Greenwood Souvenir. A heifer out of this same Cluny Rosewood cow was purchased in our last sale at \$1650 by Hi Ho Farm. This young cow is in calf since March 10 to Uppermill Wanderer and the calf will be a full sister or brother to the heifer purchased by Hi Ho Farms last year. Put a check mark beside this one.

All five of the heifers shown above are offered in the 1955 Greenwood sale. From left to right they are: Princess Doreen 10th (Lot 25); Willow Lee Orange Blossom (Lot 18); Greenwood Actress (Lot 31); Greenwood Rosebud 7th (Lot 20), and Saltoun Princess Margaret 5th (Lot 15).

Saltoun Princess Margaret 5th—One of the thickest heifers in the sale and backed by exceptional imported ancestry. She is a daughter of Easterlovat Gregalach and her dam is a daughter of the noted Calrossie Good News. She has been served to Greenwood Event.

The Greenwood Herd contains more imported females than any herd in Ohio. Here are a few of them. Note the good heads and excellent conformation.

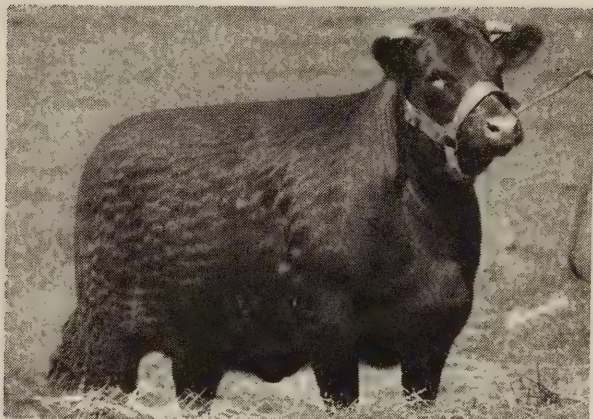

We are keeping Morphie Bride, at the far left, but all the rest will sell. The others are: Bapton Hillary Actress (Lot 30); Greenwood Rosewood 31st (Lot 14); Flossy Mary (Lot 34); Greenwood Undine 2nd (Lot 17) and HVF Clipper Eileen (Lot 28). A grand bunch of individuals with perfect pedigrees.

Standard Guarantee

OF
AMERICAN SHORTHORN BREEDERS
ASSOCIATION

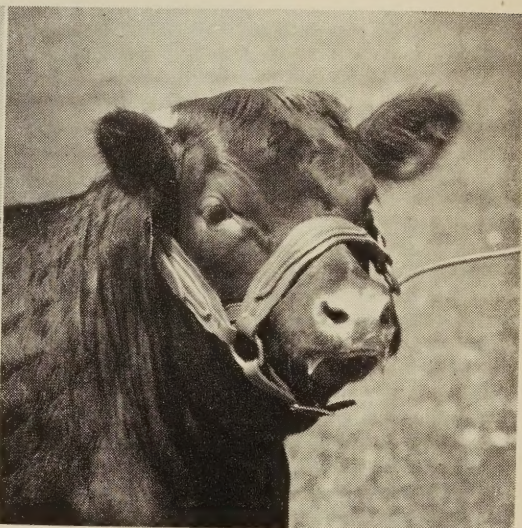

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves will be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
6. Shipments will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee. As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bang's Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
